DEMOCRATS GREET BRYAN AT RECEPTION AND BANQUET TODAY

Flashlight photograph of W. J. Bryan on his arrival in Boston.

Nebraska Guest of New England Progressive League at Quincy House.

Wm. Williams Jennings Bryan is the guest today of the New England League of the Six States. The guest of Hon. George Fred. Williams at the latter's house in Indian last night. The distinguished Nebraskan left there at 10 o'clock this morning for Boston and was driven from New South Boston station directly to the Quincy House. There he was met by the League members and taken to a reception in the public at the hotel. Immediately afterward the speaker, remembering about 200, will go down to a banquet. Mr. Bryan leaves for Providence at 10 o'clock to keep a lecture engagement at that city.

Last night, in Tremont Temple, the Nebraskan delivered an address on "The Nationality of the American People." He was applauded for his philosophy. Later in the evening he visited Harvard Union, where the college boys gave him a greeting that he will long remember. He urged the students to have faith in "our country, its government and its people, its institutions, and above all, in your God."

LORD'S SON IN BOSTON; TOWED

Among the salient passages on the Cunard liner Saxonia, which arrived this morning from Liverpool, were Cyril Cadogan, son of Lord Cadogan of London, and a great-granddaughter of the Duke of Wellington, who it is rumored about the ship is going to fight in a nationalistic war. Dr. John C. Munro and wife of Boston and Dr. Paul P. Murphy of Boston, Yale football captain in 1905.

Twenty-one nationalities were represented among the Lord's crew members. Two are Chinese who claim to be students, but they were not allowed to enter the immigration authorities and were held.

2-YEAR OLD GIRL DIES BY POISON TABLETS

BANDOLPH, Vt., March 14.—(Phil.) The only child of Mr. and Mrs. John L. Battistone, of Rochester, was poisoned by taking some strawberry tablets that had been left for her mother, and died of the results. The little two-year-old girl died only one hour.

Relief Came at Last.

Older is a most distressing disease, and in serious cases requires energetic methods to expel it from the system. By taking Dr. Buckner's Vegetable Compound results are often attained which had seemed impossible. The work is done, however, with all safety, with the most delicate medicine of the great world. Among the latest number of testimonials that have been received one is cited as an illustration. It has been constantly suffering for the past of eight years with a constant trouble and headache. Looking for relief, Mr. Smith was to a serious condition when he bought a remedy from Dr. Buckner's Vegetable Compound, which effected a speedy and permanent cure. Dr. A. L. French, Brandon, N. Y., "Three Days' treatment. All symptoms."

DON'T BE DESPONDENT!

Dr. Greene's Nervura Makes Men Healthy, Strong and Vigorous.

Do you know that more men break down in health and become despondent during these months than all the rest of the year? It is the change of the season.

Everyone needs a Spring medicine and Dr. Greene's Nervura blood and nerve remedy is the best in the world. It is not a patent medicine but the prescription of the famous medical lecturer and physician. It renews strength, revitalizes the blood, makes the eyes bright and the step buoyant and renews strength and vigor.

Charles W. Eggleston, 223 Park Ave., Worcester, Mass., a well-known druggist, says:

"Sometime ago I was taken with nervous prostration. I suffered terribly with my nerves and could get no sleep at all. I became fearfully exhausted, my stomach was in a terrible condition from dyspepsia, and I could eat hardly anything."

"I used several medicines, but without benefit. Being in the drug house myself, and having had many customers speak in the highest terms of Dr. Greene's Nervura blood and nerve remedy, I determined to try it."

"After taking only one-half bottle I began to feel much better. I slept comfortably all night, and my appetite was splendid. After taking three bottles I was able to do my usual work."

"I have three square meals a day and had not the slightest distress. My nerves were perfectly strong and I felt like a new man, being completely cured of all my troubles."

Dr. Greene's Nervura is always pure, harmless and effective, and put up in compliance with the new National Pure Food Law, guarantee filed at Washington, serial number 150.

Dr. Greene is the well known public medical lecturer and specialist in treatment of all nervous and chronic diseases and can be personally consulted at his office, 24 Temple Pl., Boston, or by mail, free.

NOVELLI WINS NEW TRIUMPH

At the Majestic Theatre last night Bruno Novelli added another laurel to the wreath of fame in a masterly performance of the role of King Oedipus in Sophocles' "Oedipus at Thebes." The play is perhaps the deepest of any that has been presented, and last night's cast proved perfect in every detail.

Novelli's assumption of the character of the king, indeed, in the closing scene, after the murder of his wife, was a masterpiece of acting. His grand finale in the most sublime manner, and secured high praise from the audience.

"Oedipus at Thebes" is the offering of the offering.

PLOT TO KILL DUMA FAILS

AT PETERSBURG, March 15.—Through the falling of a bomb this morning a large portion of the ceiling of the hall in which the Duma sits in the Taurida palace, it is believed a plot to kill the deputies was frustrated.

Over 200 yards in the chamber were searched, but the "assassins" were not found. The members were in their places when the explosion occurred.

TELLER SUSPENDED PENDING LOSS PROBE

CHICAGO, March 15.—George B. Crotwell, Secretary of the Treasury, in a letter received yesterday, announced the suspension of the Treasurer of the United States, pending a probe into the loss of the gold.

The highest-grade, lowest-priced clothing that bears the Union Label is Morse-made.

It's at Morse's, it is at Morse's. If it's correct, it's at Morse's.

Nothing Too Good For the American People

ever since. The sale today is at the rate of OVER A MILLION BOXES A MONTH, proving that the American people recognize that what is BEST FOR THEM is none too good.

Why this enormous patronage? The answer is simple: Cascarets are pure, clean, sweet, mild, fragrant, harmless but effective little tablets for the treatment and cure of Constipation and all Bowel Troubles. They are put up in neat little enamel boxes, easy to buy, easy to carry (in vest-pocket or purse), easy to take and easy of action, always reliable, always the same, they "work while you sleep" and wake you up feeling fine in the morning.

They not only regulate the movement and stimulate the muscular walls of the bowels, but they keep the ENTIRE CANAL CLEAN and antiseptic, forcing out and destroying all disease germs that breed in the accumulated filth unless promptly and regularly discharged. Therefore, they are a great preventive of disease, and may be taken continuously as a precautionary measure.

The new Pure Drugs Act, adopted by Congress on June 30, 1906, and in effect January 1, 1907, is a GOOD LAW and means better and PURER drugs for the American People. We endorse it and will live up to it in SPIRIT and LETTER—an easy task, as we have always been actuated by the same principles and no changes are required in our formula or package.

We adopted OUR OWN PURE DRUG LAW in 1896 when the first box of Cascarets came on the market, and have lived and worked and produced under it ever since.

Today, after a record of nearly 100,000,000 boxes sold, Cascarets STAND THE GREATER IN PURITY, QUALITY AND MEDICINAL MERIT than any other preparation for the treatment of constipation.

This should be a great argument for any one, to try Cascarets AT ONCE, and be healthier and happier for it. Some people have CHRONIC CONSTIPATION, and all the horrors derived from it. Others have HABITUAL CONSTIPATION from carelessness and neglect, but nearly EVERYBODY has OCCASIONAL CONSTIPATION, which, if not promptly taken care of, is liable to result in the degeneration into the worse forms and cause great suffering and perhaps death.

Cascarets, if taken patiently and regularly, will remedy all of these awful troubles, but if taken promptly at the very first sign of an irregularity of the Bowels, will act as the FINEST PREVENTIVE ever discovered and will keep all the machinery running in its normal order.

We advise you to get a little 10c box of Cascarets TO-DAY and carry it in your purse or vest pocket. Take one when you feel any degeneration into the worse forms and cause great suffering and perhaps death.

All druggists, 10c, 25c, 50c.
